WARRANT

To the inhabitants of the Town of Temple in the County of Hillsborough in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Temple, on Tuesday, the Fourteenth Day of March next, at ten o'clock in the morning, to act on the following subjects.

Article 1: To cast your ballots for the election of all officers required to be elected to serve the Town of Temple for the ensuing year.

Article 2: To cast your ballots for the election of such officers as may be required by law to serve the Contoocook Valley School District for the ensuing year.

THE POLLS SHALL OPEN AT TEN O'CLOCK IN THE MORNING, AND SHALL CLOSE NOT EARLIER THAN SEVEN O'CLOCK IN THE EVENING.

You are further notified to meet at the new Temple Elementary School in said Temple, on Saturday, the Eighteenth Day of March next, at Ten o'clock in the morning, to act on the following:

Article 3: To see if the town will vote to raise and appropriate the sum of \$834,245.00 for town charges and other necessary maintenance and operating expenditures.

Article 4: To hear the reports of agents, auditors, and committees or officers heretofore chosen and to any vote relating thereto.

Article 5: To see if the Town will vote to raise and appropriate the sum of \$2,950.00 to construct a building on the Town ball field behind the backstop fence for the storage of recreation equipment. Said expenditure to be used for construction materials only with labor being provided by volunteer help. (Selectmen for)

Article 6: To see if the Town will vote to raise and appropriate the sum of \$10,000.00 to update, by contract with the Southwest Regional Planning Commission, the Town's Master Plan, which is required to validate the Towns zoning regulates. (Selectmen for)

Article 7: To see if the Town will vote to raise and appropriate the sum of \$28,000.00 as matching funds to the Mansfield Library for the purpose of expanding the present structure to install lavatory facilities and increase storage space, such plan for expansion along with proposed expenditures shall be presented to the Board of Selectmen for their approval in such a manner that construction may begin in the fiscal year of 2000. (Selectmen for)

Article 8: To see if the Town will vote to raise and appropriate the sum of \$1,500.00 for the purpose of installing water, septic tank, grinder pump and associated plumbing equipment for connection of water and lavatory facilities at the Mansfield Library. (Selectmen for)

Article 9: To see if the Town will vote to raise and appropriate the sum of \$30,000.00 for the construction of a 40 feet by 42 feet addition to the present Town shed for the storage of highway department vehicles. (Selectmen for)

Article 10: To see if the Town will vote to raise and appropriate the sum of \$41,600.00 for the purchase of an 18.45 acre lot, Map & Lot # 06-019-1, located on Route 45 next to the new Temple Elementary School. (Selectmen for)

Article 11: To see if the Town will vote to raise and appropriate the sum of \$8,000.00 for the purchase and installation memorial monument to honor those who died and served in World War II, Korea, Vietnam and The Gulf War. (Selectmen for)

SELECTMEN'S REPORT

1999

This year's front cover is a picture of the town Christmas tree as decorated by our recreation committee (picture by Sherry Fiske). The tree has become part of Temple's Christmas tradition and we hope that it will continue to inspire us during the Christmas season.

The Town's revaluation is complete except for corrections on some properties. Considering the amount of data that had to be collected and correlated, we had surprisingly few problems. Of course, as with any operation of this type, some properties went up and some went down. Several factors affect real estate values, depending on the time period of the revaluation. The factors determining property values in 1999 were, as always, antiquity and scenic view. So, if you had an older house with a good view of the mountains, your taxes went up. In fact, Temple was valued at \$68,610,512.00 in 1998 and with an equalized rate, determined by the state, of 131 percent. Now, after the revaluation this year, our value is \$66,287,676.00 and the equalized rate is 99 percent. What this means is that the state determined that our properties were assessed at 131 percent of what their actual value should be in 1998 and we are now at 99 percent. Obviously, the closer you are to 100 percent, the better for the town. It indicates a more realistic and up-to-date financial worth in our dealings with the state and other organizations. However, the tax rate for the town went down overall because of the new state funding formula for schools, not because of the revaluation.

911 mapping is complete and we have been provided with all of the telephone numbers in Temple as part of the final integration. Next, and final step is to coordinate the information with the post office and send out the address change notifications, which hopefully will be completed in the spring. The new addresses are not official and cannot be used until after post office notification. We will say that most people may be surprised by the numbering system used by the state. First of all, houses on the right side of the road will be odd and houses on the left side will be even. This is consistent with the present numbering system established by the fire department and either method (right even, left odd) is acceptable by the post office and the state. The real surprise may be in your new number. As the mapping vehicle drove throughout the town, a satellite receiver actually draw the map and clicked off a new number every 50 feet. Other factors which we are not privy to nor able to understand, may result in your new number being 24, even if you are the first house on the road and you own all the land on the road! However, when it's all over and done with, dialing 911 will enable the state and emergency equipment to find your house in a much more efficient and hopefully faster way.

The town purchased the new police cruiser and made final payments on the highway department's dump truck and the fire department's fire truck. Replacing equipment and building improvements/repairs is an ongoing challenge for the town. In order to try to formulate a cogent plan to meet this challenge, the Board of Selectmen have instigated a ten-year financial plan which calls for average expenditures of approximately \$92,500.00 per year, assuming every expected cost is actually spent. This list includes everything from bridge repair/replacement to highway equipment to fire equipment, etc. This is a preliminary plan and will be closely studied by the Board for adjustments and additions/deletions. Fear not, nothing is spent in this town without the assenting vote of the taxpayers, they (you) will have the final say!

(See preliminary 10-year plan on following pages).

Respectfully submitted,
Robert Frazier, Brian Kullgren, and Allan Oxman

RECREATION COMMISSION REPORT

This was a productive year for Recreation. We were able to do some needed work at the ballfield thanks to money from a warrant article. We had plenty of help and good turnouts for Easter, 4th of July, Halloween and Christmas functions.

The Tennis Courts are being kept up, especially by some very good volunteer workers. These volunteers for everything are a very valuable asset and we wish to thank everyone that has given a hand.

We hope to continue good work in the year 2000.

Respectfully submitted,
Joe Cournoyer, Chairman, Recreation Commission

RECYCLING CENTER

The past year has been quite a challenge at the Recycling Center. It seemed with Greenfield leaving that the work load would lighten but land fill prices increased dramatically so almost everyone with private dumpsters began using the center and our workload actually increased. To add to this, the state regulations became a bit more stringent and several items have become more work intensive.

I would like to thank the public for their cooperation and understanding. Without them we could not have made it.

Respectfully submitted,
Maurice Guay, Manager, Wilton Recycling Center

PLANNING BOARD REPORT

1999

The Planning Board was busy this year with 2 lot line adjustments, a site plan review, minor subdivisions and a review of Glen Farm II subdivision with minor changes approved. We held meetings with the Southwest Regional Planning Commission about the Route 101 Corridor Study and discussed updating the Master Plan. We worked on some Zoning Ordinance changes which are submitted to the Town for approval at the Annual Meeting. Meetings are held on the first and third Wednesdays of the month.

Respectfully submitted,
Christopher W. Connolly, Chairman Planning Board

TOWN FORESTER'S REPORT

For the tax year April 1, 1998 through March 31, 1999, 12 Reports of Wood or Timber Cut were received by the Town. Yield taxes assessed for these harvesting operations totaled \$10,741.09.

The demand for forest products in our area has continued to be strong and stumpage prices at an all time high. As of February 1, 2000, 8 Intents to Cut have been filed with the Town for the current tax year.

The State RSA specifies that any person owning land upon which wood or timber is cut, either for sale or for services rendered, must first file an Intent to Cut form with the Town Selectmen or assessing officials. The exception to this is a person cutting up to 10,000 board feet of logs for their own use, or a person cutting up to 20 cords of fuel wood for either their own use or for a land conversion. Under these exceptions an individual does not have to file an Intent to Cut form. The tax years runs from April 1st to March 31st.

The RSA also states that within 60 days of completion of the operation or by April 15th, a Report of Wood or Timber Cut must be filed with the Town specifying the exact volume cut by species. The Town will levy a 10 percent yield tax based on the stumpage value of the material cut. If the job is not completed by March 31st or did not take place, a Report of Cut must still be filed by April 15th. At that time, a new Intent to Cut should be filed to renew the permit. If the job is not completed by March 31st but will be completed by June 30th, a 90 day extension may be granted without having to renew the permit. To do this the Selectmen must be notified in writing by the Owner, prior to April 15th.

Finally, during a harvesting operation, if the volumes to be harvested are going to exceed the estimated volumes on the original Intent to Cut, a supplemental Intent should be filed immediately showing the additional estimated volumes.

Landowners considering a timber harvest should be aware that there are State harvesting regulations that must be followed. If you have any questions regarding this or the permitting process, contact me at the Selectmen's Office.

Allan Oxman, Licensed Forester #67

FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000.00 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Land, Forest Protection Bureau. During the 1999 season Forest Rangers were busy assisting communities with suppression of difficult and remote multi-day fires. Forest Rangers have also investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention and law enforcement. The 1999 fire season was a challenging but safe year for wildland firefighters in New Hampshire. The severe drought conditions throughout the spring and summer months combined with residual effects of 1998 Ice Storm, resulted in a dramatic increase in wildland fires. In addition to burning in excess of 452 acres, 35 structures were also impacted by wildfire. Wildland fires in the urban interface is a serious concern for both landowners and firefighters. Homeowners can help protect their structures by maintaining adequate green space around them and making sure that houses are properly identified with street numbers.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

Please contact your local fire department before doing ANY outside burning. REMEMBER ONLY YOU CAN PREVENT FOREST FIRES!!

Fund raising, maintenance and fire fighting in that order explains 1999. We raised through donations \$7000 for the Annabelle preservation fund. The 1933 Chevy pumper is being repaired and plans for a small addition to the station are in the works for 2000. Thanks to everyone who donated to help us save this beautiful fire truck.

Maintenance went a bit over budget this year. The pump on the tanker required new bearings. Upon reassembly it was determined the expensive main pump shaft was out of tolerance and needed to be replaced. The pumper is beginning to require more repairs. Several switches failed and an auto eject for the battery charger needed replacement. The rescue van received a new battery. A fire gear repair specialist repaired much of our old fire pants and coats. Ten sets of gear were repaired for about the cost of one set of new gear.

A very dry spring and summer doubled the number of brush fires this year. Fortunately we were called early and were able to extinguish them all quickly. The only major structure fire was a barn on General Miller Highway that was struck by lightning. When I arrived on the scene flames were high in the trees. We controlled the fire within minutes but the building was a total loss.

Thank you to all the volunteers on the Temple Volunteer Fire Department. We are always looking for new members. Dedication, enthusiasm and commitment are the requirements the thanks of the community the reward.

William S. Wildes, Fire Chief

SOUTHWEST REGION PLANNING COMMISSION

The Planning Commission, with a service area covering 35 municipalities in Cheshire and Hillsborough Counties, is one of New Hampshire's nine regional planning agencies established by RSA 36. We continue to provide planning-related assistance to member communities and to represent the Southwest Region in state and federal programs. Our diverse work program covers activities such as local planning assistance, regional information systems & mapping, transportation planning, community & economic development, and natural resources planning. We are funded through multiple sources including local dues contributed by member municipalities. For every dollar of local dues, we've succeeded in leveraging six additional dollars to assist in meeting the needs of the Region and its municipal members. These resources provide the Commission the ability to assemble a professional staff which member municipalities have direct access to.

Highlights of Commission activities for the past year include:

- completion of the research, findings, and recommendations phase of the NH Rt. 101 Corridor Study: Keene to Milford,
- update of the Southwest Region 10-Year Transportation Improvement Program: 2001-2010
- expanded community development activities through several successful grant applications under the State's CDBG program,
- assistance in updating Master Plans for several Southwest Region communities,
- continuation of assisting towns in identifying high priority natural and cultural resources,
- completion of a first-ever public transit planning project, and
- continued progress in building a state-of-the-art information system for Southwest New Hampshire.

We continue to be available to assist you in your planning related activities - please don't hesitate to contact us if you have a project you would like to discuss. Thank you for your continued support of the Commission. We look forward to working with you over the coming year.

Timothy P. Murphy, Executive Director

**HOME HEALTH CARE, HOSPICE
AND COMMUNITY SERVICES, INC.**

Town of Temple, N.H.

January 1, 1999 to December 31, 1999

In 1999, Home Health Care and Community Services (HCS) continued to provide home care and community services to the residents of Temple. The following information represents a projection of HCS's activities in your community in 1999. The projection is based on actual services provided from January through September 1999 and an estimate of usage during October, November and December.

Child Health Program	3 Children

*Home and Community Based Case is a Medicaid program which offers extended home care services to individuals who are in need of nursing home level care but can be maintained at home for a lower cost.

Total Unduplicated Residents Served: 13

Prenatal care, hospice services and regularly scheduled wellness clinics and child health clinics are also available to residents. Town funding partially supports these services.

Financial Report

The actual cost of all services provided in 1999 with all funding sources is projected to be \$15,721.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 2000, we request an appropriation of \$1,750.00 to continue to meet the home care needs of Temple residents.

Thank you for your consideration.

ZONING BOARD OF ADJUSTMENT

This was a fairly busy year for the ZBA, requiring extra meetings to hear all the information and respond with what we felt were proper decisions.

The first decision involved a variance for insufficient setback for obtaining a Special Exception for a Commercial Enterprise under Article IV, Section 13. The variance was granted.

The second case was for an appeal from an Administrative Decision as to whether a business was grandfathered. It was determined that the business is grandfathered.

The ZBA meets on the first Thursday of the month at the Municipal Building. Meetings convene at 7:30 pm and the Public is welcome.

MONADNOCK FAMILY SERVICES

As you know, Monadnock Family Services is active in your community providing quality mental health services to all residents in need. As part of this mission, it is important to let you know the extent of our work. We are pleased to give you the enclosed census report which outlines the services provided to Temple residents during the 1998/1999 fiscal year.

MFS is requesting financial support to help underwrite services we provide to Temple residents who have neither adequate medical coverage nor a substantial income. We are asking for an amount equal to \$1 per capita based on figures from 1998 population estimates from the NH Office of State Planning. For Temple, this amounts to \$1,259.00. We work continually to keep our costs down, and to identify, whenever possible, alternate sources of funding for this population. Our per capita request of \$1.00 has remained unchanged since 1990.

The support you have provided to MFS in the past is deeply appreciated, and we hope that our partnership in caring for the citizens of Temple will continue with the incorporation of this request in your town's budget.

In addition to the census report, I have enclosed a number of materials describing the services we provide. If you have any questions, or require further information, a representative from the agency will be happy to speak with you, or the Budget Committee.

In light of the current pressures and challenges we all face as town administrators, helping professionals and private citizens, it is more important than ever that we work together for the health and well-being of our communities.

Lee Bruder, Director, Eastern Region

**WILTON/LYNDEBOROUGH/TEMPLE
VOLUNTEER AMBULANCE &
RESCUE ASSOCIATION
1999**

Wilton-Lyndeborough-Temple Ambulance Service responded to 357 calls for medical assistance in 1999. The call breakdown is as follows: Wilton 202, Lyndeborough 62, Temple 63, Emergency transports of residents from Milford Medical Center 11, Mutual Aid coverage to surrounding towns 19.

We enjoy a dedicated group of highly trained professionals that answer your calls for assistance 24 hours a day, 365 days a year. Dedication is the key here, as all of our volunteers have full time jobs in the private sector. Training is ongoing and volunteers must participate in a 24 hour EMT refresher every 2 years and 24 hours of continuing education every year to keep their skills sharp and to learn new aspects and updates of the constant improvements in Emergency Medicine.

This last year culminated 25 years of continued service to our community. There have been many changes since that first call. We now have five EMT-Paramedics that are the most highly trained pre-hospital providers available and one EMT slated to complete her Paramedic studies this fall. There are 9 EMT-Intermediates that are trained to administer certain drugs and treatments and work closely with our Paramedics on Advanced Life Support calls. We have 15 EMT-Basics that are the backbone of this service, with their skill and training they allow the rest of us to complete our advanced tasks. There is an EMT course scheduled for completion in March and there will be five more EMT-Basics to answer calls by the Spring of 2000.

At this time, we would like to express our sincere appreciation to our community for your unfailing support of this Service and our promise to continue to provide Advanced Life Support to all.

As always, we welcome any and all interested in volunteering and offer classes for certification.

The Members and Board of Directors
Wilton-Lyndeborough-Temple Ambulance Service

TEMPLE POLICE DEPARTMENT

1999

Congratulations to Officer Bret Sullivan, for graduating from the NH Police Academy. Officer Sullivan along with Officer Boggis, Elizabeth Humphrey, and Animal Control Officer Peter Clegg make the Temple Police Department a success.

The 1999 crime rate for the Town of Temple has fluctuated a bit. Incidents involving juveniles have greatly decreased. Motor vehicle accidents have also decreased, mostly due to the mild 1999 winter. However, thefts and arrest were up. The continued efforts of each officer have paid off. Temple police officers receive some of the best training available in the state. One of the hottest liability areas in law enforcement is the use of force. I have pushed for better equipment and vigorous training, which has increased officer safety and reduced the town's liability. The fact that we now have a dependable 4-wheel drive vehicle has allowed us greater access to some of Temple's toughest driveways and roads.

Some upcoming projects for the year 2000 will include, a child car seat safety check-up, women's safety training, voluntary fingerprinting of our school kids, and continued training of our officers.

I would like to thank our neighboring towns for their continued assistance. Back-up officers were provided by Peterborough PD, Greenville PD, New Ipswich PD, Mason PD, Wilton PD, along with the NH State Police. This assistance comes at no cost to the town of Temple. Thank you!

Respectfully submitted,
James H. McTague, Chief of Police

HIGHWAY DEPARTMENT

Summer :

Our summer maintenance usually starts out with the headaches of "Mud Season". This year mud season was just about non-existent. Probably this was a result of having warmer than usual temperatures which resulted in not as much frost in the ground. So Spring came and went with no major problems. We repaired and painted the winter equipment before putting it away, then we swept the tar roads and graded the gravel roads as usual.

In May, I hired Koster Tree Service to prune all the dead limbs out of the maple trees around the town common. This should help to extend their life span. We helped to keep the cost down by cleaning up and chipping all the brush.

June and July were spent mostly on roadside mowing and culvert work. We replaced several culverts around town. Probably the hardest one was a 30 ft. long by 48" high culvert that we put in under the west end of Old Peterborough Rd. We also replaced the big old stone culvert on Memorial Dr. with a 42" steel one. The Lucas Foundation donated \$750.00 to the town towards the repair of this culvert which was a great help. Besides these, there were many smaller ones.

August and September were tied up with our annual preparing, paving and sealing tar roads. This year West Rd. got all the attention, with about one mile of new pavement from Fish Rd. westward up over Spoffard Gap. The remainder got shimmed or patched, then sealed and sanded. Stone Lane was also paved this year. This was paid for by the Pratt family of Stone Lane.

At the end of August we also had about 1200 yards of fill donated to the town from the Greenville Water Pumping Station. They loaded it onto our trucks and we hauled it down to the new cemetery site. Every little bit helps.

On September 8, I signed contracts with Park Construction Co. to build the new bridge on Webster Road for us. They started shortly after that and had it about 95% complete before they had to shut down for the winter in December. The finishing touches will be done in the spring of 2000. This takes one more of our bridges off the State of N.H.D.O.T. red list of unsafe bridges. Of the \$310,000 that the town appropriated towards the bridge, we will be reimbursed about \$210,000 from the State of N.H.

Another big project that was started in September but has not been completed yet is the housing development on Rt. 45 across from the Greenville reservoir. This will add nearly a mile of road and approximately 23 new houses to the town.

Winter :

The winter months of 1999 really are not much to talk about. January and February we had more rain and ice than snow. We went through very large amounts of sand and salt again, just like the winter before. The last snowstorm came on March 15, with 7 or 8" of snow, a week later it was gone.

November and December were two of the warmest on record. Nothing more than a couple of dustings of snow and one ice storm. Hardly any frost in the ground.

Due to all this mild weather, I was able to give back a large part of the winter budget to the town. Approximately \$32,000. This goes towards reducing the taxes for the year 2000.

In the spring and summer, we hope to build an addition onto the back end of the highway garage. This will house the grader and dumptruck. We plan on doing most of the work ourselves, so the warrant article is mostly for materials. I feel very strongly that this addition is a good investment and will pay for itself in added years of service that we will get out of the equipment. Replacement costs for these two pieces of equipment is around \$250,000.

Timothy Fiske, Road Agent

During the year 304 books were purchased and 183 were given to us. 393 books were removed from the collection to provide space for the new acquisitions.

Library Week was celebrated by several activities in April. The Friends provided a speaker for April 13. The library sponsored a "Turn Off Your TV" program and held a Game Night and a Singing Night to provide alternatives.

The Friends of the Library provided the following public speakers: April 13, Joann Snow Duncanson, May 11, Sara Miller and Oct. 28, Carol Greenberg. Their summer games/crafts program was held on the last two weeks of July and first two weeks in August.

Our Summer Fun Reading Program ran from June 21 until August 2. Forty children were enrolled and read a total of 486 books.

The library sold books and pies at the Harvest Festival. Proceeds are used to fund the summer reading program and other special projects.

The Trustees mailed a survey to townspeople concerning library needs. Now is the time to express your opinions. This will give some direction to those planning construction.

We wish to thank all of our good friends who have helped us during the year. We are grateful for gifts of time, money, videos and current books & magazines. We welcome memorial gifts.

We provide the following for public use: a computer with internet access, a copier, tax forms (federal and state) and 2 adult tickets to the Museum of Fine Arts in Boston.

The trustees meet on the 2nd Wed. of each month at 7:30, the Friends meet every other month of the second Sat. at 9:30 (this time may well be changed in the near future), the book discussion group meets most every month. You may

call us for details and place and time. We do not have a story hour at present, but would be glad to do so if there is enough interest.

Please use the rear entrance. This is equipped with a ramp and bell (if assistance is needed with the door). Our parking and book drop are located here. The front steps will not be cleared during the winter.

Library Hours: Monday, Wednesday & Friday 1:30 - 5, Tuesday 10 - 12 & 1 - 5:30, Wednesday evening 7 - 9, and Saturday 2 - 5. Our phone number is 878-3100. mansfield@tellink.net

PROJECT LIFT

Since 1992, Project LIFT has provided free individualized instruction for Antrim, Bennington, and Hillsboro area adults who are over 16 and without a high school diploma or a GED. For the first four years of the program, from 1992-1996, Project LIFT was funded through federal library literacy funds. Funding since then has been from a combination of sources, including corporate contributions, grants and charitable foundations, individual donors, and town appropriations. It is anticipated that funding for the coming fiscal year, January 1, 2000 through December 2000, will once again rely on a variety of sources. Therefore, we are asking each town served by this grant to contribute a proportionate amount to the continuation of Project LIFT. We are asking all towns within Hillsborough County that have residents who have received educational services from Project LIFT to appropriate funds in support of LFT through either a warrant article or a line item. The amount being requested from each town varies according to the number of students served within the town.

Since it began in 1992, Project LIFT has provided free educational services to more than 300 adults. Three Temple residents have participated in the program. Participants range from young adults who have recently left school to single parents with children who are working towards their GED as a step toward self sufficiency. Adult students have prepared for and passed the high school equivalency (GED) exam, learned English as a second language and experienced substantial improvement in their reading, writing, and math skills. They are now able to read to their children, help their children with homework, or function more effectively within a work environment for the first time.

In the past, Temple voters have supported Project LIFT with appropriations of \$100 - \$500, approved at Town Meeting. We hope that the town of Temple will continue to support Project LIFT as it works to increase the skills of undereducated adults. We are requesting an appropriation of \$100 for fiscal year 2000. Limited literacy and educational skills effect more than the individual. They effect the whole community.

I have enclosed some information concerning adult literacy and Project LIFT, as well as the proposed budget for fiscal year 2000. I hope you will continue to support Project LIFT. I would be happy to meet with you to discuss any questions you may have. Thank you.
